"Return to South Pacific"

Adds Color

During the fall football season, the Marching Band added color to the gridiron. Dressed in their new uniforms, the bandsters gave some colorful performances.

For their first show, the theme was "The Tombstone Story." While the band played a lively dance tune, the majorettes did the can-can at the Old Bird Stage Theater. There was

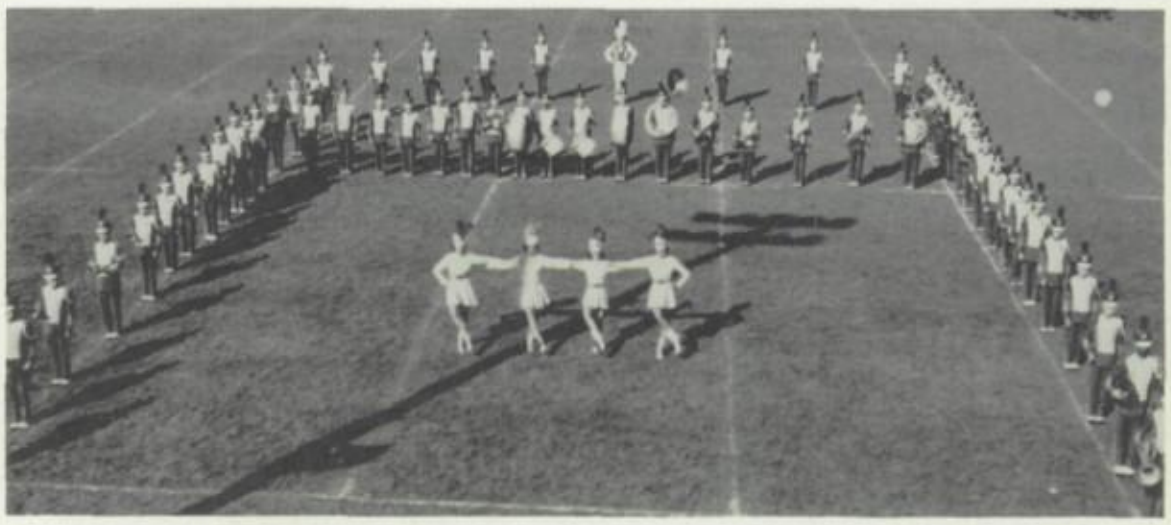
more music, then a gunfight, and finally ghosts danced at the foot of Boot Hill.

Other shows included "Puppy Love" (which leads to a dog's life) and "South Pacific", a spectacular enjoyed by all.

Not to be forgotten was the trip to Circlevelle where the band marched in the Pumpkin Day Parade. In October, a tag day was held for extra funds.

"Bury me not on the Lone Praire"



It's the can-can

Marching band is more than a fall activity. During the summer, the 65 bandsters participated in many events, such as the Memorial Day Parade, 4th of July Parade at Arlingtion, the Commercial Point Homecoming, and the Harvest Festival at Grove City.

MAID OF HONOR

On October 24, 1958, Miss Judy Eberhard reigned with her court as the Football Homecoming Queen. Judy, known as "Elmer", had three times previously been a court attendant.

Before the Hilliards game, Mrs. Jackie Becker Huffman, the 1957 queen, bestowed her crown to Judy. Later a dance was held in the new gym with music by the Hi Hats and vocal numbers by the Nineteens.

Newly Formed Mid-Eight Provides

Let's go .....

Faced with a tough schedule in the newly formed Mid-Eight League, the Greyhounds posted a 2-7 record for the year. Although victories were few, the Greyhounds made headlines with their stunning upset of highly touted Gahanna Lincoln and one Greyhound footballer, Larry "Chico" Holmes, made the Mid-Eight All Star Team.

HILLIARDS WINS PREVIEW

At Marysville on September 5, Grove City met Hilliards in the season preview game. Hilliards put on a dazzling performance, pulling all stops in their 18-0 victory. The Wildcat's early season razzle-dazzle baffled the Greyhounds throughout the contest.

GREYHOUNDS LOSE TROPHY TO FALCONS

On September 12 the Greyhounds opened their 1958 football season by losing the South-Western Trophy in a hard fought 12-0 struggle with the Falcons from Franklin Heights.

BLUE LIONS TOO MUCH FOR GROVE CITY

On the following Friday night the Greyhounds traveled to Washington C. H. to do battle with the Blue Lions. After an evenly fought first half, the Greyhounds led 7-6. But the Blue Lion's powerful ground game wore the Grove City defenders out and carried Washington to a 21-7 win. Dude Girbert went two yards for the only score and Chico Holmes kicked the extra point.

Stiff Competition for Greyhounds

LINCOLNETTES UPSET BY GREYHOUNDS

Friday, September 26, marked the opening game of the new Mid-Eight League. Grove City played host to powerful Gahanna Lincoln, the pre-season pick to win the League. Gahanna opened the scoring and led early in the game 8-6. But lightning struck twice as Chico Holmes and Ray Dyer scored on punt returns of 95 and 90 yards respectively, in quick succession. Jack Gallagher caught a Girbert pass for two extra points. The score was tied at 14-14 in the fourth quarter, but a 47 yard pass from Girbert to Holmes iced the game for Grove City at 20-14.

CRUISERS KEEP WINNING STREAK GOING

October 3 saw the Greyhounds travel to Groveport only to return on the short end of 17-6 score. The Cruisers led all the way in the game that saw Ray Dyer score Grove City's only touchdown on a 34 yard pass from Dude Girbert.

GREYHOUNDS TOO MUCH FOR COWPUNCHERS

Returning to town the Greyhounds romped over Mifflin High's Cowpunchers 46-8. Ken Hay blocked a Mifflin punt which rolled into the end-zone and was covered by Don Gibboney for the first score. Girbert passed to Dyer for the extra point and Grove City was ahead 8-0 with the game only two minutes old. Chico Holmes then romped for four touchdowns with Jim Morris and Ray Dyer each scoring one touchdown, as Grove City won going away.

MONARCHS STOP GREYHOUND THREAT

Halloween proved a bad night for Grove City as the Greyhounds dropped a hard fought 22-14 decision to the Monarchs at Marysville. Touchdowns came on a 72 yard punt return by "Chico" Holmes and a 50 yard pass from "Dude" Girbert to Jack Galagher. The two extra points were scored on a run by Girbert.

Excellent downfield blocking paves the way for Holmes' score.

GROVE CITY DROPS FINALE TO WESTERVILLE

Westerville's Wildcats provided the competition for the Greyhounds final game of the season. The Wildcats' powerful backs proved to much for the Grove City defense as they rolled up a final score of 30 points to 6. The lone touchdown came on a 70 yard punt return by "Chico" Holmes.

Cheerleaders, Managers Deserve Praise for Service

Cheerleaders: Pat Brown, Karon Frank, Maxine Perfect, Sue Jahn, Judy Eberhard, and Karen Huey.

"Ready-O, let's go" was a phrase familiar to all football fans this year. With these words the cheerleaders began many of their cheers. After a month and a half of summer practice, this group, composed of five seniors and one sophomore, was prepared for its busy fall schedule of planning pep rallies, printing song sheets, producing skits and, of course, cheering at the games. Their special activity was the bonfire pep rally held the night before Homecoming.

Our mascot (the dog, that is)

"Roughest job in the school" is that of the football managers. Headed by Dale Taylor, this hard working crew took the responsibilty for all football gear and equipment used by the Greyhounds. They also kept statistics, attended to minor injuries, cleaned the locker rooms, and were always alert for the coaches' call.

Managers: Gary Gardner, John Clifford, Steve Fout, Mike Hessell and, Dale Taylor.

After seven games the Greyhound reserves showed an overall record of three wins and four losses. The team, which consisted of mostly Freshmen and Sophomores, had a league mark of 1-3.

In the first league game, the Gahanna Lincoln reserves provided the opposition. The Greyhounds held the Lions to a 6-0 half-time lead, but then the fired-up Lions broke loose in the last half to win 30-6.

In a non-league encounter with Columbus Bishop Hartley, the Greyhounds won 18-12. Victory came with two touchdown runs by Mike Gabriel and Harvey Holmes and a pass interception runback by Mel Waples.

Fumbles and poor defense gave Groveport a 26-16 victory over the reserves the following week.

Mifflin's defenseless Cowpunchers, after leading at the half 14-8, saw Grove City score 32 points in the last half, to win 40-14. Two touchdown passes by Mike Gabriel and runs by Holmes, Cardosi, and Waples highlighted the lone Mid-Eight victory.

CLASS OFFICERS: Beverly Thompson, Treasurer; Barbara Mathews, Secretary; Ruth Groene, Vice President; Tom Prater, President.

As the 270 freshmen approached the first rung on the ladder of their high school education, treasured memories of their grade school days and glorious ideas for the future filled their minds. Now they have begun to appreciate the old saying, "Your happiest days are spent in high school."

Jarred by the realization that nothing worthwhile can be all fun, the freshman class fulfilled their responsibilities. They held positions on the reserve football team, on the basketball team, in the junior chorus, and on the honor roll.

"Yea freshmen, rah! rah!" became a familiar cheer heard at Grove City High as nearly one third of the students were ninth graders, the largest class ever enrolled here.

Minutes of Sophomore Class Meeting

OFFICERS: Steve Fout, Treasurer; Karon Frank, Secretary; Jerry Billman, Sgt.-at-Arms; Mike Trigg, Vice-President; Jeanne Groene, President.

As the gavel sounded, the last meeting of the Sophomore class came to order. Recognition was given to all boys and girls who participated in such activities as football, basketball, student council, student court, band, vocal groups, cheerleading, intramurals, and wrestling.

A look at the treasurer's report showed in figures the success of the bake sale and the basketball homecoming dance, which they sponsored.

Congratulations were in order for all Sophomores who survived such subjects as algebra, French, Latin, Spanish, geometry, typing, world history, and English. These were a bit puzzling at first, but the report cards proved that nearly everyone managed to struggle through.

Yes, the Sophomores can be proud of their record, but they'll be prouder to join that high rank of upperclasssmen--JUNIORS!

C & B Buzzes With Activity

When the new school year arrives, there is one room which starts buzzing with activity right away. This, of course, is the C&B room.

Looking in, we see the eleven members of the Crimson & Blue staff busily attending to their jobs:

Asst. Editor.....Sharon Perrigo
Adv. Managers.....Bob Jones
Bill Mathews
Sports Editor.....Dave Waples
Co-sports Editor.....John Rieke
Page 2 Editor.....Lynda Sloan
Page 3 Editor.....Linda Funk

Advisor.....Mr. P. Durnell

The staff also has the help of several "student reporters" who turn in articles assigned to them by each page editor.

As the "deadline date" nears, the material is typed, proof-read, and taken to the Grove City Record where the paper is printed.

SEATED: Sherry Toopes, Verna Penberthy, Judy Eberhard, Mike MacKay, Dave Morris, Mary Ann Pawlowski.

STANDING: Dale Worthington, Dick Witteman, Dave Waples, Larry Holmes, Doris Braley, Mike Trigg John Rieke.

Every Thursday was a busy day for the student court. Meeting in the cafeteria during eighth period, this court, advised by Mr. C. Tallman, handled many minor discipline cases.

Cases were reported by the teachers, student council members and other students. Cases that came most frequently in front of this body of students were minor incidents such as throwing paper, going down the wrong stairs, and going through halls without hall passes, and marking on desks.

Student Court officers for the 1958-59 school year were:

Judy Eberhard.....Judge
Mike MacKay.....Prosecuting Attorney
Verna Penberthy.....Clerk
Dale Worthington.....Bailiff.

He's caught.

He's found guilty.

Improving the general welfare of the school is the main objective of the Student Council. It is composed of respresentatives from each of the home rooms.

This year the council built up its treasury by selling hats, holding sock-hops after home games, and sponsoring a variety show with the Student Council of Franklin Heights.

To serve the school, the council paid the membership fees for our representatives in the Franklin County Honor Society, presented the honor banner to the homeroom with the highest scholastic average each six weeks, and sponsored a dress-up day before several religious holidays.

The climax of the Student Council's program for the year was the purchase of window blinds for the new auditorium and a set of three new flags for the school.

Three freshmen girls buy their hats for Homecoming from Student Council Representative Mike MacKay.

Mr. Ruehling Guides Faculty and Students

"May I have your attention, please," was the familiar greeting heard each morning over the PA system. From these broadcasts came the news and events of each school day.

Under Mr. Ruehling's guidance the 37 teachers and the 725 students were directed to some changes for the year 1958-59. A nine period day was set up which permitted a greater variety of subjects to be taught and more activities to take place during school hours. Study halls were moved from the cafeteria into smaller rooms, which provided better studying conditions.

No eighth graders were seen roaming the halls this year because they were moved to another building. This gave more space to the high school.

In late January a remodeling program was started at the high school. Mr. Ruehling has high hopes of its being completed by September, 1959.

Students Gain Individually From Special Instruction

INSTRUMENTAL MUSIC

To play with expression is the goal which Mr. R. Harris attempts to reach with the instrumental music department. This is accomplished by teaching music appreciation and the correct methods of reading music and counting notes. Both individual and group instruction are used. Special emphasis is placed on the value of working together.

VOCAL MUSIC

Vocal music has a definite place in the curriculum at Grove City High School. Miss E. Hamm handles two choruses and three ensembles. Emphasis is given to the joy of singing together--for worship as well as for fun. Her efforts to encourage and to develop good musical tastes have proven successful to many.

AGRICULTURE

Better farmers is the goal of the agricultural department. The boys learn the best ways to raise livestock, to plant various crops, and to test soils. They find out better ways of managing a farm and buying equipment. In the spring Mr. R. Dyer prepares the boys for the State Judging Contest at Ohio State, where they compete with other schools in judging agricultural products, such as seeds, soil tests, liquids, and livestock.

LIBRARY

A loud buzzing followed by a death-like silence, what is it? No, not a jet plane going over, it was just Mr. H. Durbin restoring order to our four-walled book shop. Keeping order is not the only task of a good librarian. There are other signs of active duty, such as spilled ink, which means the books are being marked and readied for the shelf; the faint jingling of money, being drowned out by the clicking of a typewriter--another overdue book is being returned. These are signs of an active day in the library.

DRIVER TRAINING

After a slow start this year, because of a delay in receiving the car, the driver training program jumped into full swing. The wild-looking '59 Chevrolet is being wheeled around the streets of Grove City by some equally wild drivers with Mr. G. Edelman, the instructor, at the other half of the dual controls holding on for dear life. One day a week spent in the car and a day spent in the classroom combine to train students who wish to learn the proper techniques of driving on today's crowded highways.

GUIDANCE

Guidance at Grove City High covers quite a variety of tasks. Mr. T. Dagg talks to students as a group or individually and helps them with many of their problems. He suggest what subjects to take, how and where to apply for a job, and when to apply for college entrance. He handles all records of students that show aptitudes, vocations, and scholastic abilities. We wish to congratulate Mr. Dagg for his newly appointed position in the school district as prinipal of the new Pleasant View High School.

LANGUAGES

Answers to the question "Commentally vous" could vary from "muy bien", "gracias", and "benissime" to the "Very well, thank you."

Languages play an important part in the curriculum of GCHS, and such courses as French, Spanish, Latin, and English are given.

All students must take four years of English. During this time they are constantly reviewing grammar, spelling, and writing themes. At the same time they sample many forms of literature --biographies, novels, and poetry.

Triangles, rectangles, parallel lines, problems, and more problems. All these are found in the Math Department. Shop math, business math, general math, plane geometry, and algebra are all part of the mathematics instrution. Lines are drawn, some straight, some otherwise. Some very funny things pop up now and then, but this important part of learning has its place in teaching students to figure things out and to think for themselves.

SCIENCE

Bugs, microscopes, test tubes, carbon tech--here is the Science Department, where all these tools may be seen plus a puzzled look on a face here and there. Physics, science, biology, and chemistry are all included in this department. The students find out how things tick. Once in a while a loud tick is heard--BOOM! Another theorem has been proven. Once in a while someone even improves them or at least they think so. But all in all this department helps young students to today to become future scientists of tomorrow.

PHYSIAL EDUCATION

Basketball, football, volley ball, baseball, golf, badminton. These games are all a part of the physical education program. Twice a week all students are required to take physical education In addition health is required for all Freshmen and Sophomores. Emphasis is placed on the mastery of skills and the enjoyment and satisfaction to be found in sports. The students not only learn how to play different games, but they also learn the background and origin of them.

Mrs. Doris Rothwell arrives at school at 2:00 and stays late to do the bookkeeping necessary in handling school funds. Her duties include counting money, selling tickets, writing checks, and numerous other tasks.

Good food at a good price makes the cafeteria a popular place in the school. Approximately 475 students buy their lunch everyday. To meet the 11:45 rush, the cooks must arrive at 8:00. Their day ends at 2:00.

County Office Makes Available Many Services

Students at Grove City High seldom come in contact with the professional staff at the Franklin County Board of Education. Yet many services are made available through this office.

Heading the staff is Mr. Thomas Quick, who succeeded Mr. George C. Berry as county superintendent last October. Mr. Quick serves in an advisory capacity toall executive heads and principals. All new teachers must have his recommendation before being employed.

County services include grade cards, special tests, attendance checks, work permit, supervisionof instruction, and curriculum aids. In addition personnel are hired in the fields of elementary and secondary education, as well as child study and psychology. Last but not least are the statistician and attendance officer.

Helping in the offices gives valuable experience in meeting people, in answering phones, and in typing stencils and dittos. There is a lot of time spent in handling details such as filing cards, checking attendance, and recording grades.

However, all the time is not spent in work. There is also much fun and laughter as when Helen tells one of her favorite Jokes. Another feature about working in one of the offices is that it enables students to do away with many dull study halls.

Library Pages are not book pages, but they are the students who work in the library. The desk assistant helps by handling attendance slips, checking books out, stamping and filing cards and doing numerous other tasks.

The typists prepare the cards and pockets for the new books, fix the cards for the catalog file, and type the order sheets. It is only with these volunteer helpers that Mr. H. Durbin is able to keep the library of 4,000 books in operation.

"To be or not to be, that is the question." If you listen closely you may hear this well-known quotation used by the 15 dramatically inspired Dramadeers.

These amateur curtain pullers have been surprised by recordings of their own voices, amused by one-act comedies, and educated by stage films. The majority attended the high school showing of a stage show in which their supervisor, Mr. Rolfe, was featured.

With much delight, you can hear their student director shout, "Lights! Camera! Action!"—while they're off to another round of theatrics.

Lettermen Work For Fun and Finance

Letter winners in all varsity sports combine their efforts for fun and finance in the Varsity "G." Promoting better sportsmanship is the chief goal of the boys, but they also assist the athletic department by raising funds. The boys sold refreshments at all home basketball games. Acquainting its members with the teaching profession is the purpose of the F.T.A. The various functions of the club include a program for student teaching, which affords the members actual classroom experience.

During National Education Week, the F.T.A. sponsored an assembly in which our teachers were honored for their years of service in education. Special recognition went to Mr. L. Mosher who has been teaching for 35 years and Miss Eyerman for 27 years. Also included in this assembly was the induction ceremony for the clubs officers and a comical skit in which students portrayed teachers.

Throughout the year the club sponsored two major projects: a bake sale, which was held at Sig's Market and a Christmas Ball featuring a band from West High and an appearance from Santa Caus.

FUTURE NURSES OF AMERICA

Attention, girls! Here's a new club for you--the Future Nurses of America. Since the future is calling more and more young people into the nursing profession, Miss Florence Richter has supervised the formation of a nursing club with national affiliation.

The twenty-five girls have several aims: to give service to school, to enable members to have practical experience, and to inform and prepare them for a career of nursing and allied fields. Blue and white were chosen as honor colors, because these colors are often seen on nursing uniforms. they have had several bake sales in order to raise funds for buying membership pins.

At their December meeting, the FNA girls learned that a man is no more than a bag of bones.

Greyhound Grapplers Meet With Some Success

Mixed up kids!

Seven boys made up the first wrestling squad in the history of Grove City High School. Under the guidance of Mr. G. Edelman and Mr. G. Carter, the wrestlers had only two matches in the 1957-58 season and ended with a 1-1 record. The team was more in club form the first year, but varsity standing was planned for '58-'59 season.

In First Season of Wrestling at Grove City

Highlighting the season for the 13 freshmen, sophomores, and juniors on the young Greyhound squad was the trip to Dayton as guests of Mad River High School. It seems the coaches had a misunderstanding and Grove City arrived 24 hours early for the match. So back home they came only to make the trip again the next night.

At the end of the season the Greyhounds took part in the Central District Wrestling Meet. Harvey Holmes, a sophomore, was the only Greyhound to win a berth in the quarter finals, but lost out to the eventual runner-up in the state.

Varsity Basketball Squad Finishes Sixth

Grove City's 1958-59 cage season was rather disappointing as the Greyhound squad compiled a 4-15 record. Nevertheless, the fans saw some exciting ball games and watched the team finish sixth in the Mid-Eight.

Injuries, inexperience, and inconsistency hindered Coach Jack Frost's Team. Ken Hay and Larry Holmes were seldom available for action because of football injuries. Only two players, Dude Girbert and Marv Eakins, were returning lettermen, and they had not been regulars of last year. The experience gained by the underclassmen indicates a brighter future for Greyhound fans.

Managers, Cheerleaders Work For Team Victories

STUDENT MANAGERS: D. Sloan, P. Gragg, and J. Walters.

"Men behind the scenes" describes the boys who were student managers. Hours of voluntary labor were required from these fellows in handling equipment, in cleaning locker rooms, and in assisting the players. At games, their main duty was keeping statistics--the shot sheet, rebounds, violations, turnovers, and other data.

"Hang down your head, you _____" became a well-known chant at the Grove City games during the 1958-59 season. By using hit tunes as novelty cheers, the girls were able to liven up pep rallies and to keep the students enthusiastic about their team even when the team was not winning.

Losing many games by very small margins, the Greyhounds were called tough and scrappy by opposing teams. The six wins and twelve losses do not tell the true story of this fighting, but young squad.

Led in scoring by John Rieke, Mike MacKay, Jack Gallagher, and Lance Elliot, the boys battled throughout many close, but heartbreaking games. Their hard fighting spirit made the boys favorites of the fans and should mean an improved varsity in the next few years.

Much can be said about the freshmen team. The boys had a lot of get up and go, which earned them the nickname "A fired up bunch." The squad worked hard in practice, and kept the training rules.

Surely there are promising propects for future reserve and varsity teams from this freshman squad. In the six games played, the boys lost only one game by a big margin. Using a man to defense, the team showed aggressiveness and earned a 3-3 record.

Nineteens, Gaynotes, and Octones

Music! Music! Music! You don't need a nickel to put in the nickelodeon to get good music at Grove City High. Just invite one of the three vocal ensembles.

The Nineteens, beginning their sixth year, were joined this year by two new ensembles the Gaynotes and the Octones. These three groups, directed by Miss E. Hamm, sang all types of music for their performances. They aim to provide an opportunity for vocal ensembles as well as enjoyment for their listeners.

The Nineteens, dressed in matching beige suits, sang for the Lions Club, M Y F Variety Show, Homecomings, and Assemblies.

The Gaynotes chose green skirts and white blouses for their outfits. They have performed at the Assemblies, M Y F Variety Show, and the Methodist Church.

The Octones, wearing dark suits and ties, appeared at assemblies and the Franklin Heights Variety Show. All three groups have brought prestige to the school.

Juniors Find New Experiences as Upperclassmen;

Terry Waits, Treasurer; Mike MacKay, President; Kenneth Hay, Vice President; Karen Starkey, Secretary.

Well, the juniors had another year of getting up early for the three R's. Yet, this year has been different for these eleventh graders, who suddenly realized what it meant to look forward to class rings, their play, and finally the Prom!

Early in October came the moment everyone had awaited breathlessly---the arrival of their class rings. It was a hectic day as members of the junior class went around proudly showing their class rings.

Thinking things were settled down, the teachers had begun to relax when the class officers began thinking up ways to earn money. They sponsored the Football and Basketball Homecoming Dances, sold candy at noon, and popcorn at the basketball games.

The class worked hard, and success was the result. A wonderful Junior play and then, on the night of all nights, came the Junior Senior Prom!

Yes, they worked hard, but there was fun too. These 87 boys and 76 girls still have next year to look forward to when they will reach, at last, their goal--Seniors!

Creating good will and providing helpful service throughout the community has been the goal of the Tri-Hi-Y girls. Guided by Mrs. D. Classwork Stimulated by Busy Club Calendar

Adding social life to daily class work is the purpose of the Spanish Club. Thus, many interesting meetings have taken place.

In November la senora Gluchauf, who had come originally from Mexico, talked to the members and brought with her several costumes which Esther Keihl and Suzanne McKinley modeled. She also told about various customs of Mexican teen-agers.

At. Christmas, the traditional fiesta, el dia de los reges mogass (the day of the Magi King) was observed. Gay colored pinates were filled with candy, gum, and cookies made by the club members. Then, a member was blindfolded and was given a long pole to break the pinates. Each person had a turn until someone successfully broke it. Then everyone enjoyed the treats.

El club prepara para visitar a Casa Jose (The club is preparing to visit Casa Jose). This visit to a small spanish restaurant in Columbus will be the highlight of the club's activities.

HAVE CHESS
WILL PLAY

Checkmate! Another chess game has ended. Growing from a group of ten boys last year to almost thirty members this year, the Chess Club has fast become one of the school's most popular organizations. Most of the new members are girls.

The philosophy of the Chess Club is to promote interest in chess and to develop the qualities of the medieval knight which is symbolic of the game.

Under the leadership of Mr. C. Tallman, the novice players are learning the basic rules of the game while the advanced players are studying the strategy of opening and closing moves.

Arrangements have been made for interscholastic chess competition. The season will close with a banquet where awards will be presented.

Today's Club Members Become Tomorrow's Secretaries

SEATED: J. Moore, Y. Robinson, President; E. Arnold, Secretary; F. Welch, Treasurer.
STANDING: Mrs. F. Cope, Adviser; J. Ranke, J. Carter, C. Hatten, J. Flora, Vice President; D. Hart, B. Burleson, P. Rutherford, Mrs. L. Davies, Adviser.

Organization of the Commercial Club was made to stimulate a greater interest in commercial courses offered at G.C.H.S.

At the club meetings discussions were held concerning various subjects such as jobs, business problems, office etiquette, proper dress for office work, etc. These discussions have proven quite interesting and a bit humorous at times.

This spring the club will buy gold award pins. These are to be presented to students who have achieved outstanding skills during the year in commerial subjects such as shorthand, bookkeeping, and typing.

High in Local, District, and State Competition

Bill Smith exhibits his prize steer.

But these future farmers did not stop there. Later in the spring the Poultry and Egg Judging team placed first in the egg judging contest held at Ohio State University.

For the first time this year, the F.F.A. sponsored three chain gilts: A Poland China, a Spotted Poland China, and a Chester White. These gilts will be given to three F.F.A. members to raise as their own. In return these boys will present to the F.F.A. Chapter a gilt from the first litter.

So far it has been all work and not much play, but not for long. In March the F.F.A. joined with the F.H.A. in sponsoring a Ham Supper and a Parent-Son-and-Daughter Banquet.

Homemakers of Tomorrow

Happy birthday...

to you...

from us...

Let's play house

During its 14 years of existence the F.H.A. has been very active in school activities. In October, the F.H.A. and F.F.A. held their annual weiner roast which was held at Barton Kaderly's farm. It proved to be loads of fun and a complete success.

In October also, Grove City was the host school at the Fall County Rally in which seven county schools participated. At this rally all new members from each school were inducted into the orgainization with an impressive candlelight ceremony.

As January rolled around, the F.H.A. started the year off right with a big birthday party for everyone in the club. Each girl came dressed according to the month that she was born.

As the lamb of March came prancing in, the F.H.A. joined with the F.F.A. to sponsor, not a lamb dinner but a ham dinner. Many in the community who attended made the dinner a big success. The profits from this dinner will be used to send girls to F.H.S. camp in August. Last year's profits helped to send Patsy Gragg and Betty Fryer to camp for one week of officer training.

The F.H.A. also sponsored in March the basketball banquet at which awards were given to the players for their service on the team.

As the showers of April came down the F.H.A. and F.F.A. held their annual parents-son-and-daughter banquet in the school cafeteria. Here recognition was given to the members of both clubs for their services rendered through the year.

Twenty-five students were selected by the faculty on the basis of scholarship, leadership, character, and service to become this year's members of the Franklin County Honor Society. Fifteen of these were initiated at Hamilton Township in October, while the remaining ten became members in February at Marion Franklin.

The purpose of the Franklin County Honor Society is not only to create an enthusiasm for scholarship, but also to stimulate the desire to render service, promote leadership, and develop the character in the students of the high schools in Franklin County.

In a February meeting, Alan Mowbray was elected President and representative to the county. He succeeded Pat Brown, who this year was the Spirit of Service.

STANDING: P. Brown, D. Hay, J. Eberhard.

Spring of the 1958 school year Grove City received a charter for the local chapter of the National Honor Society, which was named in honor of Mrs. Loy J. Mosher, who has taught math at Grove City for 35 years.

Thirteen members were initiated on May 22, 1958, with the faculty who were National Honor Society members performing the induction ceremony.

Fourteen new members will be initiated in March, 1959 by the returning members from last year.

Membership in the National Honor Society is based on Scholarship, Leadership, Character, and Service, but the requirements are higher than those required for the Franklin Honor Society.

CHARTER MEMBERS: SEATED: P. Bedell, W. Hyatt, S. McCaffrey, M. Potter, J. Price, M. Wilcox.

"What's the word? This was a familar phase heard around school this year. And what is the big talk all about? Why, it's the G.A.A.

In its trial year the club shot off with a big boost by having 117 members. The girls not only shot off to a large membership but also to a winning start over Franklin Heights by beating them 4 out of 4 games in basketball.

But the girls had to take the bad with the good. Thus they went to Grandview where they lost 4 out of 4 games.

As basketball season faded away, the girls exercised their talents at bowling and volley ball. Teams were organized and a tournament was played.

Foul Weather and Foes Curtail 1958 Thinclads,

Hindered by bad weather and poor track conditions, the 1958 G.C. cindermen offset their lack of training time by working long and hard. Many long practice runs into the country paid off for the young Greyhounds as they came home with 3rd place in the Mid-Six track meet.

Losing only three members from the '58 squad indicates that the cindermen may be able to compile a better record during the 1959 season. The newly formed Mid-Eight League will bring three new opponents to challenge them.

After football season and the scene turns from the gridiron to the concert stage, the band members change from spirited hep-cats to young ladies and gentlemen.

The versatility of the band, under the direction of Mr. R. Harris, was shown in the different types of programs presented through the year: the assemblies, pep rallies, concerts, dances, and county contests.

On Friday nights one can always find the pep band first on the scene to help boost the Greyhounds to victory.

The Concert Band sponsored a Valentine Dance, February 14, 1959, which was hilighted by the presentation of the King of Hearts, Dave Hay.

A well-knit band is the result of cooperation and talent by many persons. Most band members know this and consequently do not take their assignments lightly.

Our hats are off in grateful tribute to the unselfish fellows and girls of the Grove City High School Band.

"Singing in the morning, singing in the evening, singing at suppertime"---this schedule provides hours of work and fun for the members of the vocal music department.

These 17 boys and 131 girls, under the direction of Miss E. Hamm and her five student accompanists, share the joy of singing together. The participating students carry the task of preparing for public performances, such as the Spring Concert in May and the All County Chorus Festival at Gahanna in April.

Members of the Senior and the Freshman Choruses receive no sizeable credit nor individual distinctions, but they do reap intense personal satisfaction and enjoyment by singing together. Developing skills and deepening knowledge are important goals, but the main objective of the choruses is to have fun singing together.

To Make Vocal Music Enjoyable For All.

Juniors, Seniors Spend Evening Of Paradise

Saturday, May 17, 1958,became an evening of paradise for all who attended the Junior-Senior Prom. The Juniors were hosts to the Seniors, faculty members and guests. The Juniors provided only the best in way of refreshments and entertainment.

"Winter Wonderland" was used as the theme for this annual affair. The Juniors changed the auditorium into a beautiful winter scene complete with a waterfall, snow drifts, and trees. Snow flakes hung from the ceiling while drifts served as frontage for Ziggy Coyle's band. Most couples preferred the bridge and waterfall, where they had their pictures taken.

The band played on

Anyone care for a sleigh ride

Dancing beneath the clouds

. . . . *In Winter Wonderland* . . . .

Several Junior mothers assisted with the refreshments. Punch, cake, ice cream, and peanuts were prepared in the kitchen by Mrs. Bonnie Waples, Mrs. June Hay, Mrs. Eileen Engle, Mrs. Ethel Neff, and Mrs. Lorna Shoaf.

The doormen, Mike Wolfe and Rodney Mathias, met the couples as they arrived. Table attendants were: Karen Starkey, Daryl Foster, Marilyn Ross, Mike MacKay, Jane Pond, Jim Strawser, Sharon Perrigo, Diane Frank, Jim Sigman, and Carol Haag. Jeanne DuVall, and Shirley Davis were the hat check girls.

Thanks to the hard work of the Junior committees, the advice of the faculty members, the contributions of parents, and efforts of all, the night was truly an evening in paradise.

Annual Staff Unfolds

J. Scheirer, S. Jahn, J. Jenkins, Activities.

Early in September nineteen students, under the supervision of Mr. H. Durbin, started work on the 1959 Greyhound. Their aim was to design a new annual from cover to cover. The staff put all their ideas together and the results included a variety of new layouts, informal shots in the senior section, and completely new division pages.

In October, the whole staff solicited for advertisements. Eye catching posters and P. A. announcements added zest to the sales campaign and again this year over four hundred books were sold.

Year of Activity in 1959 Greyhound

By January the book was planned. There only remained the typing, finishing layouts, and proofreading. When the last pages were sent in early March, the entire staff leaned back with relief and relaxed.

Several people besides the staff members contributed to the 1959 Greyhound-the student photographers, the office help, and the teachers. To them also goes the credit for the success of this year's book.

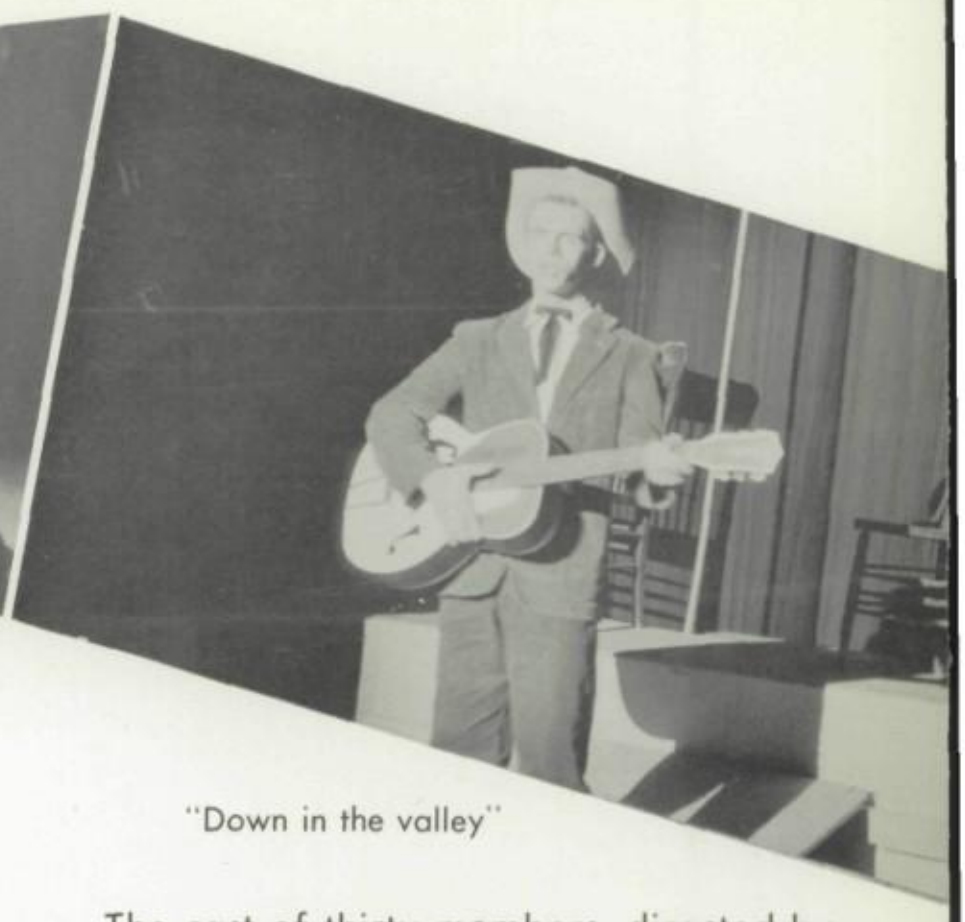
"Hey, Diddle-dum-day."



"Down in the valley"

"Roses love sunshine, violets love dew,
Angels in Heaven know I love you."

Songs, like the above, from the Junior play "Down In the Valley' were heard echoing through the halls of Grove City High School for weeks after the highly compliment-ed performance on April 24-25, 1958. This presentation of the famous folk opera, written by Kent Weill, was hailed as "the best play given in recent years at Grove City."

The cast of thirty members, directed by Miss Sandra Bach and Mr. Harry Howarth, and assisted by Mrs. Ruth Mathers, put forth great efforts to produce this musical. Hours of practice, colorful costumes, effective lighting, and original sets of abstract designs left little to be desired.

Dear Friend:

Thank you for the courtesy extended to our students who contacted you for an advertisement in the 1959 Greyhound. Our records show that you have paid in full your account. It is through your co-operation that our book was made possible.

We appreciate your patronage.

Sincerely yours

Lance,
One of
the sharpest &
greatest guys around.
Wish you weren't
you're sure to always
have many friends.
all the fun we've had to-
gether. (Especially playing
"Quakers Meeting.")
in all you do &
me.

Best of luck, Lance,
as always
Donna
